Dear Hiring Manager,

I am a student at SUNY Binghamton University working towards my Computer Science Master's degree looking for full-time position which can enhance my technical skills, provide an opportunity to work with professionals and apply my theoretical knowledge into practice.

I think to work at your organization is exactly what I am looking for. I have my bachelor's degree in Computer Science. I am a focused professional that who has been consistently praised as hard working and organized by my coworkers and management over my past 3+ years of working career at Vision Software Development as an intern and at Amdocs as a Software Test Engineer. I've developed a skill set related to the role you are hiring for, engaging with clients and resolving their issues.

I invite you to review my detailed achievements in the attached resume and look forward to elaborating on how my specific skills and abilities will benefit your organization. Thank you for your consideration, and I look forward to hearing from you soon.

Sincerely,

Priyanka Tanpure.
